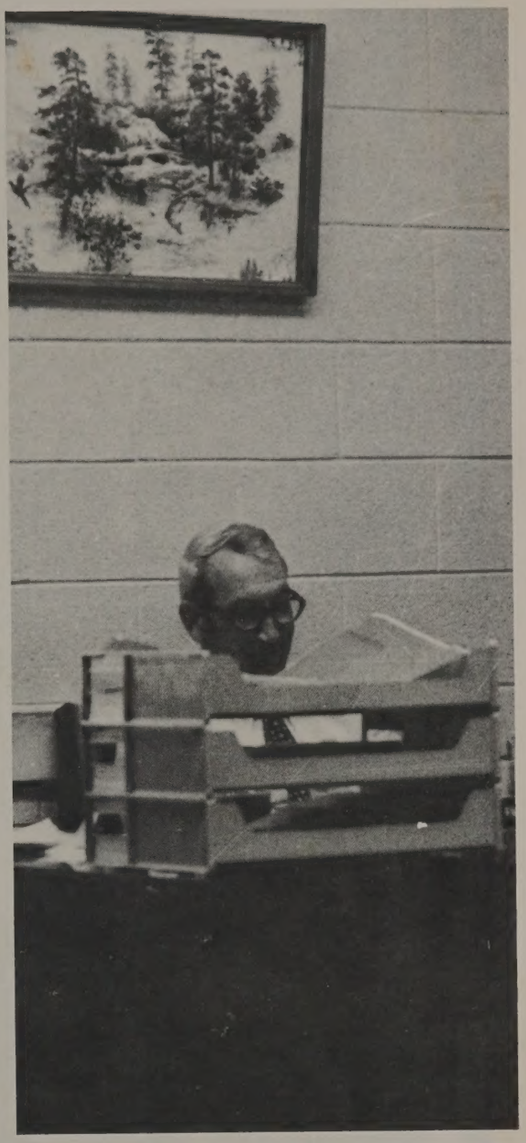
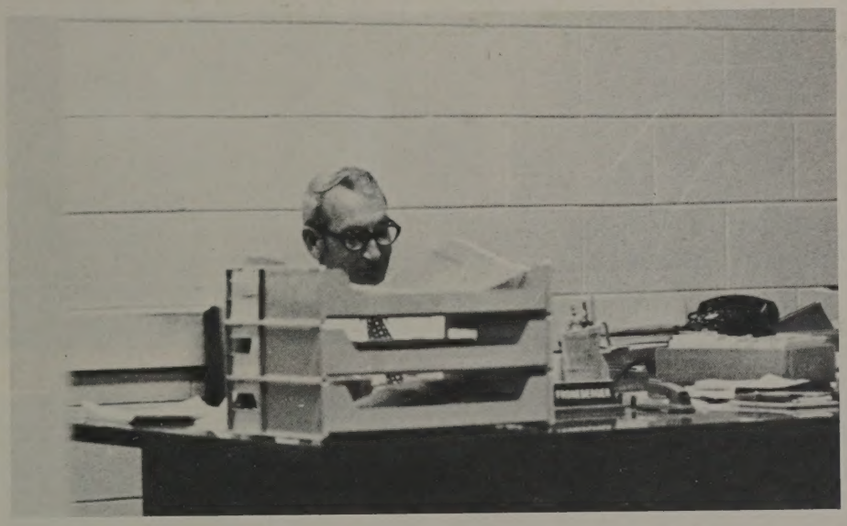
Dedication





The Senior Class of 1980 is proud to dedicate this year's ***Milestones*** to Mr. Blaine Froneberger, or Froney, or even Dr. Charcoal. Although he is known by many names, some not too pleasant, he is usually referred to as Froney.

His job is a difficult one. He is the one who has to discipline the class cut-up, the fighter, the truancies, and the tardies. He rarely gets to compliment a good performance, outstanding behavior, or hard work. Froney is the one who hears the irate parents complain, explains why the bus driver was too early, too late, or not there at all, and who won't believe the most believable excuse.

Although some people can't spell or even say his name correctly, they respect him and appreciate his efforts toward helping students stay in school, solve problems, and plan for the future.

Because of Froney's helping hand and his easy-going manner, the ***Milestones*** staff, the Senior Class, and the student body would like to congratulate him on a job well done.

"They say that life is a highway, and its milestones are the years". The years you spend at Kings Mountain Senior High School, though they seem like they'll never end, are only three small milestones along the highway of your life. Compared to the length of the highway, these milestones are very brief periods of time, which can become merely blurred memories. This year's Milestones would like to keep those memories clear and fresh, so that in ten years, when you thumb through this publication, you can once again live in the world of your high school years. Here you will see pictures of friends, important events, and the ***Milestones*** you will always cherish.

A great deal of time and work has gone into this year's edition of the ***Milestones.*** Producing an entire yearbook is not as easy as some people believe it to be. Deadlines have to be met, layouts drawn, pictures taken, final layouts drawn, copy written, pictures posted on MSTC boards, and the material proofread and mailed. There is also the tedious task of counting votes for Senior Items and the difficulty of keeping Dedication a secret. Another problem, is dealing with some people who are dissatisfied with that "icky" picture of themselves going into the Annual. One more responsibility the annual staff has, is to keep the price of the Annual as low as possible to the students. We keep this cost down by selling ads to businesses.

We hope you enjoy our work.

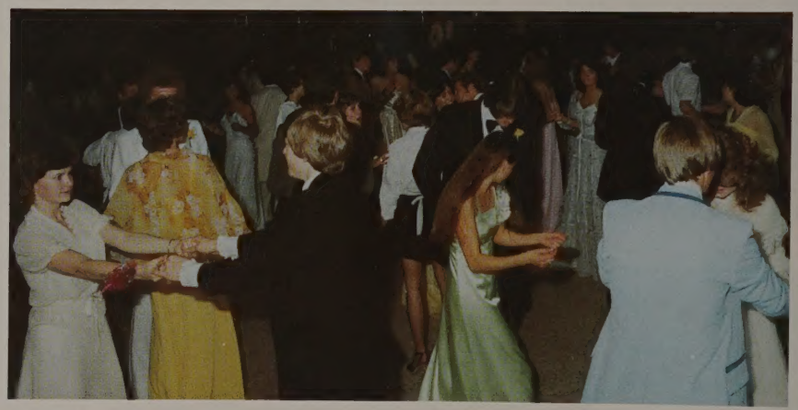
Milestones . . . Important events in our high school years. The Junior-Senior Prom, the Senior Play, and finally Graduation. All of these are ending milestones for the Senior Class.

Summer football practice, band practice, and Senior portraits, these are milestones that mark the beginning of another year. Endings, and beginnings . . .



Milestones . . . Walking out and away from the school, looking out into the distance, seeing the football stadium — a place where school spirit swells, and students are drawn closer together as they cheer for a common goal. Suddenly, the band strikes up a tune as the stands fill with people. As the football players storm the field, the fans jump from their seats clapping wildly and cheering. Banners, tacked up behind the bleachers, stream across the stadium urging the team to Go! Fight! Win! Stand Up and Cheer!

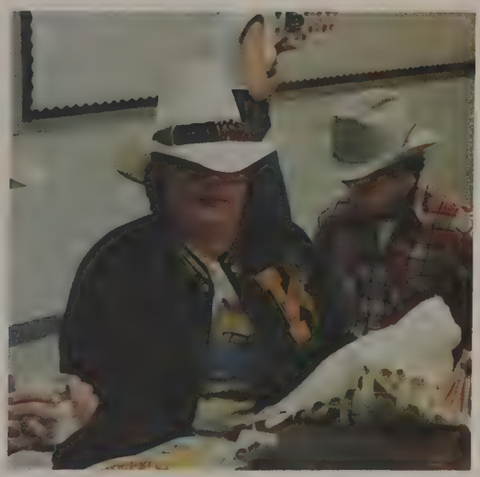
Milestones . . . working until 11:00 on Thursday night so the club float will be ready for Friday's Homecoming parade; becoming a part of spirit week by participating in all of the activities, seeing your principal hit in the face with a pie, having the fun of dressing up like we've never dressed before, and cheering until your throat is sore, for your class so that they might win the spirit stick.



Milestones — Biology class, pep rallies, homecoming, going to class, having fun — are all a part of school life. Each school day presents students with a regular series of classes, teachers, and a new clutch of memories to store. So many things to study and learn, but finally there's a pep rally where students can let themselves go and scream, chant, and laugh to their hearts' content. The confetti, the shine of the band's horns, the faces, the posters, all blur into a wonderfully warm memory that may be kept always.

CLUB

Milestones . . . The memories of school — homework, teachers, clubs, football games, and friends — these milestones will always be with us. Perhaps in time, the memories will fade or be distorted by time, but they will always be there. These milestones will influence us — for good or bad — for the rest of our lives. The memories might not all be pleasant, but we would rather have these memories, good or bad, than never to have known them at all.

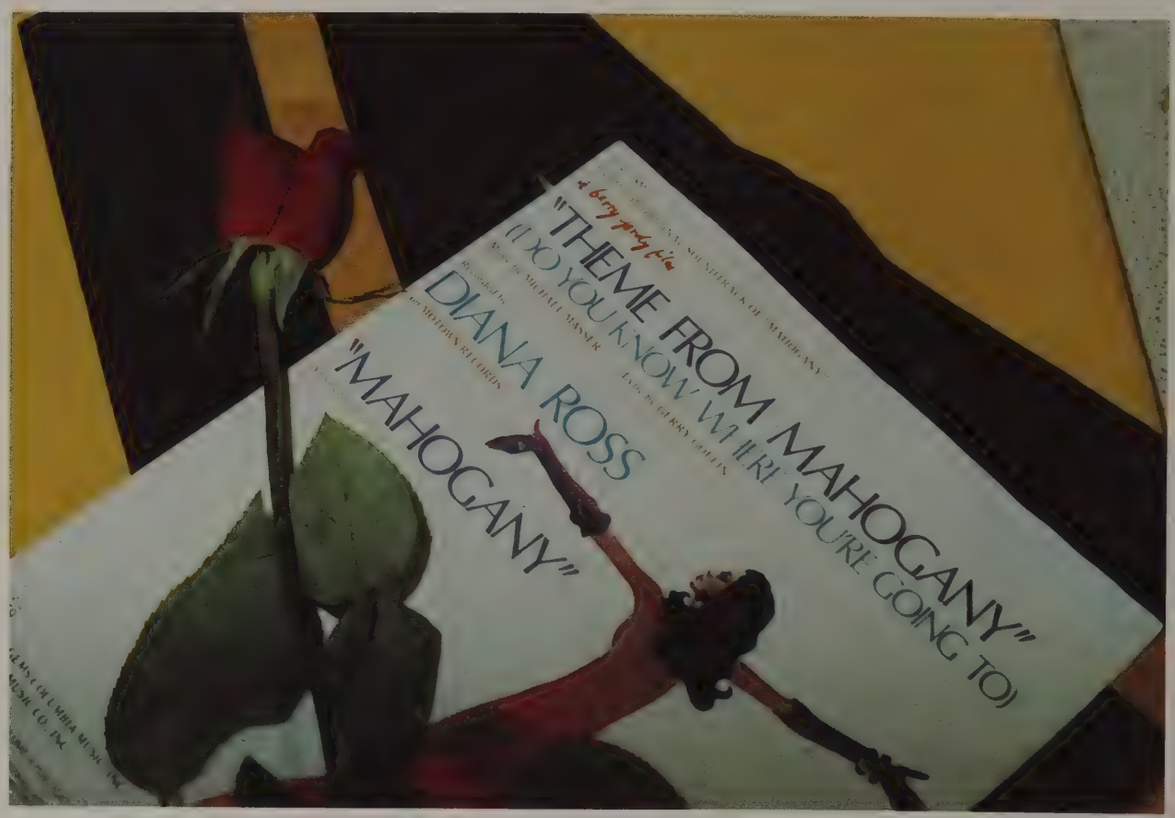
Class Colors: Black And Gold
Class Flower: Red Rose
Class Song: Theme From Mahogany (Do You Know Where You're Going To)
Class Motto: Times May Be More Beautiful, But This One Is Ours



THEME FROM MAHOGANY

(Do you know where you're going to?)

Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to, do you know?
Do you get what you're hoping for?
When you look behind you there's no open door.
What are you hoping for, do you know?
Once we were standing still in time, chasing the fantasies that filled our minds.
And you knew how I loved you, but my spirit was free, laughing at the questions that you once asked of me.
Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to, do you know?

Now, looking back at all we planned, we let so many dreams just slip through our hands.
Why must we wait so long before we see how sad the answers to those questions can be?
Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to, do you know?
Do you get what you're hoping for?
When you look behind you there's no open door.
What are you hoping for, do you know?

The Senior Class of 1979-1980 is a class with many important memories. For example, it is the last class required to take Contemporary US History or Studies as Seniors and the last class requiring only 13 units to graduate. It is also the first class requiring the Competency Test for graduation, the first class to graduate under Bob McRae, the first class to graduate in the new decade, and the first class in several years to be required to take final exams unless exempted by an A or B average or perfect attendance second semester.

In 1962, when most members of the Class of 1980 were born, John F. Kennedy was President of the US. Now, as this class's graduation approaches, his brother, Senator Edward Kennedy, has announced his presidential candidacy. Also in 1962, John Glenn became the first American to orbit the earth. Now, Americans are having difficulty finding enough gasoline to make it around the block, and the price of gasoline, which was 29¢ in 1962, is now up to 99¢ average.

The Senior Class Officers are Laura McGinnis — President, Leslie Hambright — Vice-President, Janet Childers — Secretary, Eric Barnett — Treasurer.

Do You Remember? . . . . . .

When . . . you got your feet wet on the first day of school?
. . . you started Driver's Ed?
. . . you ran from the Juniors the day they got their class rings?
. . . the masked marvel rode a motorcycle through the commons?
. . . you cried the day the Seniors graduated?
. . . you found out your Competency Test score?
. . . you dropped your lunch tray in front of everybody?
. . . we had assemblies?
. . . you found that bug in your soup?
. . . you thought the bell would never ring?

When ... you cut up with your friends between classes?

... you cried at the last football game when you realized that it was your final halftime show?

... you thought you would never find that little bacteria in the microscope?

... KMSHS raised more money for Muscular Distrophy than anyone else?

... you went to the Jr.-Sr. Prom and you were the only one dancing?

... you thought you were dead after playing powder-puff football?

... you were so scared at band tryouts that you spoke instead of stomped?

... we had movies?

... we beat Shelby in football for the first time in 7 years?

Remember when ... and smile!

Juniors 81

The Junior Class of 1979-80 is a unique class for several reasons. This Junior Class will be the first class required to have 15 units to graduate as well as the first to take Contemporary US History/Studies in the 11th grade.

However, these Juniors will also follow some of the traditions of past classes. They will experience the joys of ordering those all-important class rings, and the trauma of attending their first Jr.-Sr. Prom.

Often it seems that Juniors are caught in the middle, never being first, seldom being last. But these Juniors, like all Juniors before them, will live through this difficult year and become the Seniors of 1981.

This year's Junior officers are Sandy Horn, president; Mark Scruggs, vice-president; Pebbles Wherstine, secretary; and Terry Bumgardner, treasurer.

SOPHOMORES 82

The Sophomore Class of 1979-80 is the largest class to enter KMSHS with approximately 175 males and 144 females. The Sophomores will encounter many new experiences upon entering high school. First day jitters, drivers' ed., seniors, midterm exams, and tough teachers are just a few of the burdens Sophomores must shoulder.

This Sophomore Class, like all classes before them will contribute to the total success of the high school. Making the transition from the junior high to the high school is a major step in a student's life and we of the annual staff believe that they have made the transition well.

This year's Sophomore officers are Richie Land, president; Lee Neisler, vice-president; Paula Weldon, secretary; and Leanne Baliles, treasurer.

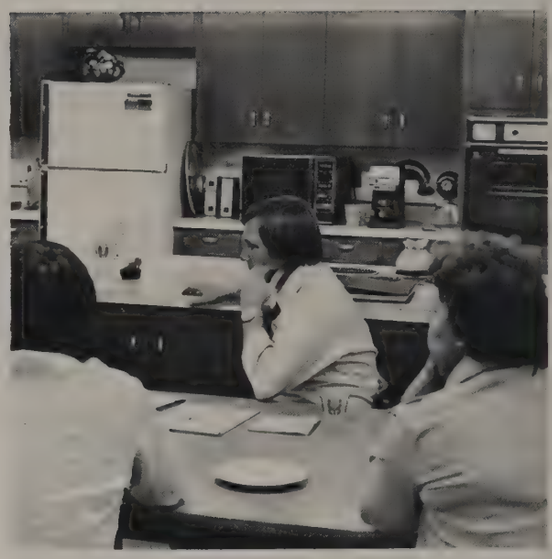
A Conversation With Principal Robert McRae



The editors of the Annual Staff spent one Monday afternoon with first year principal, Bob McRae. Here is a brief profile of Kings Mountain Senior High's new principal.

Mr. McRae received his B.A. in history from Wake Forest and his Masters in Education at Appalachian. He later received his Advanced Administration certificate at UNC-CH.

When asked how he would evaluate his first six months here at Kings Mountain, he replied that he was pleased with the school's progress so far. Mr. McRae said he would like to become more familiar with the school and its problems before making any major changes. However, he feels that our school is a "well-rounded and sound educational institution" and does not foresee having to make any drastic changes in the near future.

Mr. McRae said he was quite impressed with the great percentage of people, both teachers and students, who appear to be interested and concerned about their school. He believes the spirit here at KMSHS is one of the high school's biggest assets.

Questioned about areas needing improvement McRae stated that offerings for the academically talented students needed to be increased at KMSHS. He also said that the faculty, school board, and students need to place into writing some policies about aspects of school life for a point of reference.

Mr. McRae was then asked about his goals for KMSHS. He hopes to "coordinate the building of a better program for students to develop themselves," and create more opportunities for the individual. He also feels that the overall academic program needs to be strengthened.

We will follow the progress of both Mr. McRae and KMSHS in the future with great interest!

Spirit Week

Spirit Week at Kings Mountain Senior High was a big success this year, with most students participating.

On Monday we had Hoe-Down Day when everyone came as farmers or hicks. (No change for some people.)

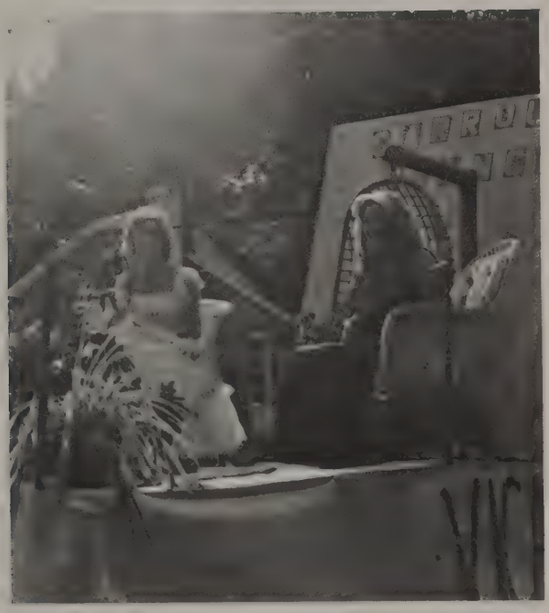
Tuesday was Eat um Up Day, during which we were allowed to eat candy, suckers, and chew gum in every class.

Wednesday was Fleuf Day, and student came as anything and everything, from Tweety Bird to the Incredible Hulk.

On Thursday, Fifties Day, students came to school dressed as teenage versions of their parents, with slicked-back hair, bobby socks, and bubble gum.

Friday was Black and Gold Day, with students and teachers coming dressed in our school colors.

Homecoming Parade



The 1979-80 Homecoming Parade was one of the best ever. The parade consisted of many exceptional floats. The judges had an extremely hard time picking the winners. Here are the results: 1st place was a tie between the Key Club and VICA; 2nd place — National Honor Society, and 3rd — Auto Mechanics.

Homecoming Queen And Court

"It's really hard to express all the emotions I've felt since being elected Homecoming Queen. People I don't know very well come up to me and say hello. The warm feeling I get from this is difficult to describe. Another thing is knowing that my family and friends are proud of me and hearing them tell me so. At school, though, I always wonder if people expect more from me or if I act differently. I'm constantly worried about people thinking I'm a snob. I hope they don't. The happiness that I have felt since receiving this honor is a happiness I wish everyone could experience. It is a special feeling I will never forget."

This is a statement from our 1979 Homecoming Queen, Wendy Ann Stringfellow. Wendy is the daughter of Mr. and Mrs. Bob Stringfellow, and is active in school activities. She is the captain of the varsity cheerleading squad, a member of the tutorial program and sports editor of the annual staff.

The fact that the students of Kings Mountain chose Wendy Stringfellow as their Homecoming Queen for 1979 exhibits their good taste.

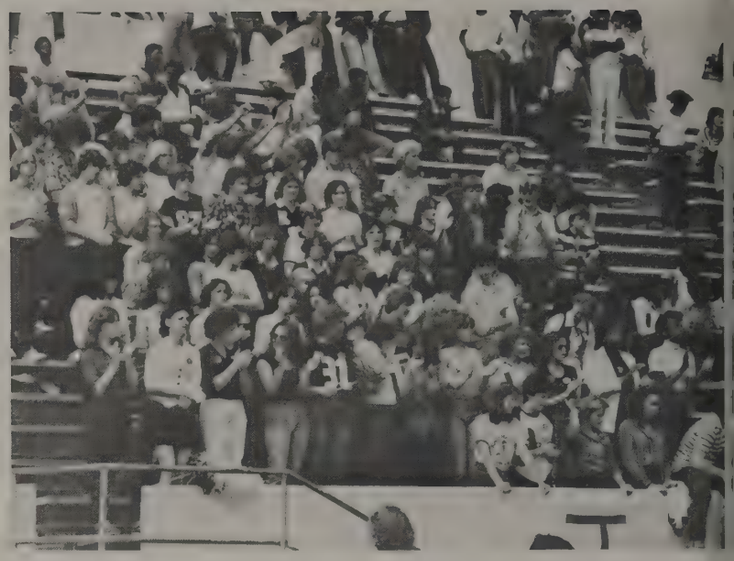
Homecoming Activities

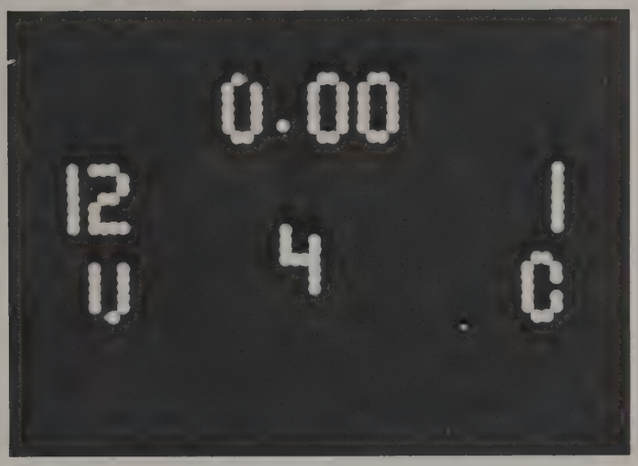


Many exciting events happen during the week of Homecoming. One of these exciting events was the Friday afternoon pep rally in which students and teachers alike participated.

After the pep rally some students left to put final touches on their floats and others went home to prepare for the 1979-80 Homecoming Parade.

After the parade, fans, students and spectators went home to get ready for the showdown between Kings Mountain and South Point. The Homecoming activities were highlighted by the crowning of Wendy Stringfellow, our Homecoming Queen.

Powder Puff — Football?



The 1979 Powder Puff football game, sponsored by the Beta Club of KMSHS, was the second game in what is hoped will be a lasting tradition here at KM.

The game, which was a contest between the Juniors and Seniors, ended with a score of 12-0 in favor of the Seniors. The two touchdowns were achieved by the combined efforts of Karen Blackwell passing and Trudy Whisnant receiving.

Way to go Seniors!

Nights On Broadway

This year's Junior-Senior Prom was a wonderfully unique experience. As you walked through the front doors of the high school you imagined yourself on the streets of New York City with the signs of Broadway plays and chasing lights through the breezeway.

As you entered into the commons area you were engulfed by the sound of the Time Square Band. After listening to the band, you made your way to the cafeteria and were amazed at how the cafeteria had changed into a dazzling dining room with white tablecloths and the soft glow of candlelight.

The Junior-Senior Prom was a night of dreams for you and your special date. A wonderful milestone in your life.

Varsity Cheerleaders Raise Spirits

Being a cheerleader isn't as easy as our cheerleaders make it look. A cheerleader must first undergo an exhausting week preparing for tryouts. After a girl makes the squad, she must practice weekly throughout the summer and on through football and basketball seasons.

During the summer, the cheerleaders attend camp where they learn the latest cheers, chants, and dances. This year at Golden Eagle Cheerleading Camp, the cheerleaders won a megaphone for their extraordinary show of spirit and six ribbons for their outstanding performances and participation.

One of the principal duties of the cheerleaders is to provide exciting and inspiring pep rallies. The most memorable pep rallies was the one in which the cheerleaders portrayed each of the football coaches and captains on the "NFL Today." In one skit Mr. McRae sat on top of a ladder, and as the students yelled louder and louder, Marty climbed each rung of the ladder with a pie in her hand. When she reached the top, she smeared his face with the sticky pie.

Even though being a cheerleader is difficult and time consuming, most girls enjoy cheering their teams to victory and consider cheerleading the highlight of their year.

Hurry up and take the *!#*! picture!

The cheerleaders, a close group, were happy when Wendy was elected queen.

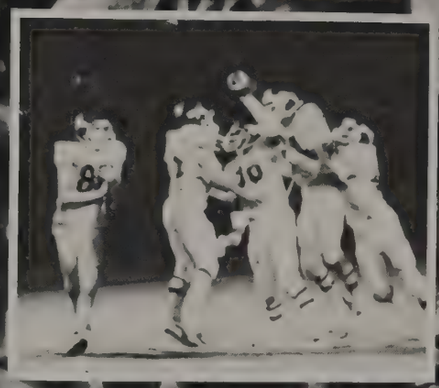
Slow Start, Fast Finish Yields 8-2 Record For Mounties



Mounties Take Roar Out Of Lions!!!

In their final game of the season, the Mountaineers shut out archrival Shelby with a score of 27-0. This victory left the Mounties' overall record at 8-2.

This victory over Shelby, in which each and every Mountie played his heart out, was the break in a line of Shelby over KM games.

The Mountaineer attack, which kept the Shelby offense on the sidelines, also accumulated 368 yards, and only allowed Shelby to have the ball for 6 minutes and 6 seconds in the entire first half.

In a contest where the momentum shifted constantly, the South Point Red Raiders, (who went on to win the North Carolina 3-A Conference Championship), beat the Mountaineers 15-12.

Yet the Raiders had all they could handle with the determined Mounties, who had their own play-off hopes jolted when an interception in the last two minutes killed a threat inside the Raider 10.

After giving their all, losing the game was a big letdown for the Mounties.

Second row; Maurice Jamerson, Mark Howell, Mike Chambers, co-capt. Glenn Carroll, Jeff Cloninger, Keith Pressley, Chris Wright, Trent Thomasson, Scott Crawford, Mirion White, and Tony Putnam. Third row; Calvin Hood, Mark Schuman, Danny Williams, Mark Russell, Mark Scruggs, Lynn Thompson, dropped, Carl Burton, Mark E. Smith, and Avery Smith. Back row; Keith Blanton, Dick Styers, Mark F. Smith, dropped, John Estes, Henry Hager, Wally Davis, Markus Hager, Robert Bradley, Kevin Mack, Tim Leach, and Daryl Strong.

South Point runner found the going tough against an aggressive Kings Mountain defense led by Glenn Carroll (63).

Coaches Generate Enthusiasm

In his second year as head football coach, Dan Brooks brings another enthusiastic corps of coaches to the Kings Mtn. football program; Bob Jones, David Brinkley, and Steve Foster. As head mentor of K.M.'s grid squad, Brooks has established a 13-7 record.

After being beaten by Burns, the 3-A division Mounties came back to roll over 4-A Ashbrook 23-0.

He didn't even play football his sophomore year, and probably never would have if head football coach Dan Brooks hadn't seen him playing J-V basketball. Brooks was impressed. He spoke with Kevin Mack and the next year Mack began his football career.

Kevin Mack went on to set three rushing records at KMHS and to receive the MVP award his senior year. He is now being scouted by many major universities.

1979 MOUNTIE CAPTAINS The Captains of the 1979 Mountie gridders are seniors Glenn Carroll (right) and Johnny Ross. Elected by their teammates, both are held in the highest respect by the players, coaches, and entire student body.

J.V.'s Spark Enthusiasm And Show Promise

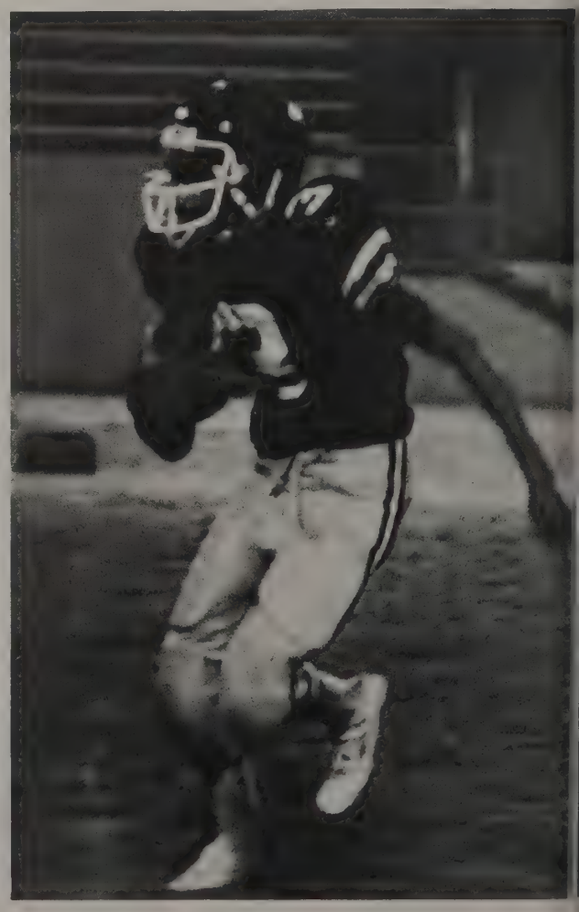
J.V. Cheerleaders anxiously await the outcome of a crucial play.

What would a school's athletic program be without Junior Varisty teams? It probably wouldn't be very good. Junior Varsity teams train athletes and give them the knowledge they need to participate in Varsity sports. That is exactly what our JV football team and cheerleaders have proven.

The football team was young and started off slowly this year, but by the end of the season it showed much improvement and became a fine competitor. Coached by Charlie Burns, the JV's record was 2-4-1.

Spirited and enthusiastic, the JV cheerleaders show much promise also. One could always see them cheering in rain or shine, no matter how cold the weather was. Patty Strong serves as captain of the squad, and Mrs. Susan Patterson is the sponsor.

The JV teams don't receive the glory and honor as varsity teams, but if there were no JV teams, the younger players wouldn't gain the experience they need. Rather, they would have to sit on the bench and watch the older players.



Front row: Patty Strong, Cindy Weaver and Ann Ballard; Back row: Tammy Barrer, Lori Scruggs, Sonya Smith, Debbie Sayers and Marty Clemmer.

1st row — Rupert Stevenson, Tony Yarboro, James Rikard, Calvin Camp, Barry Lowrance, Mark Byers, Dana Camp and Gary Allen. 2nd row — Tony Brown, Scott Laughridge, Cam Stewart, Tommy Weaver, Tony Gordon, Larry Wilson and John Barnett. 3rd row — Eric Borchert, Richard Ellison, David Turner, David Bolin, Adam Green, Carlos Owens, and Jerry Tatum.

Mounties "Marathon" At A Steady Pace

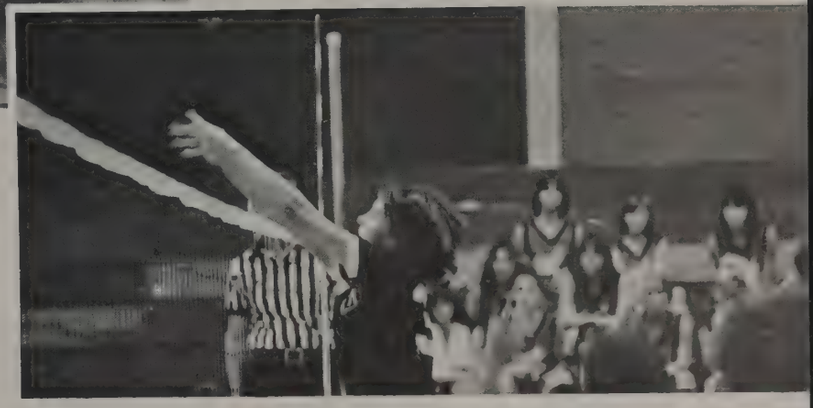
The astonishing ability of Bernard Womic carries the mountaineer distance runners through another season. Bernard (pictured at right) ran two miles in addition to Coach John Blalock's daily workout of about three or four miles a day. Bernard was named all conference this year and placed fifth in the entire SWC. The cross country team didn't place first this year in many meets but they fought hard and usually were among the top contenders.

Although this year's cross country team only won one meet out of five, Coach John Blalock is predicting improvement in the coming year. Coach Blalock commented on the lack of sophomores participating in cross country and that tenth graders are needed to develop experience for their more important junior and senior years. An example is Bernard Womic, the only runner to begin in his sophomore year. He was ranked fifteenth in the Sectionals in this his junior year and was all conference both years.

Front row: Ricky Procter, Bernard Womic, Robbie Lovelace. Back row: Lanny Guyton, Terry Odums, Eric Moore, Eric Dixon.

Volleyball: Bump, Set, Spikes! A Winning Season

The 1979 Volleyball team was one of the most respected teams in the SWC. The team consisted of many outstanding players. One of these fine players was Debbie Appling, who was nominated for all conference. Another outstanding performer on the team was Diane Williams who was selected player of the year in the SWC. Finally, the team coach, Kathy Brooks, was selected co-winner of the SWC Volleyball Coach of the Year award. This was a special honor for Coach Brooks because it was her first year as volleyball coach. The team's record was 10 wins and 6 losses.

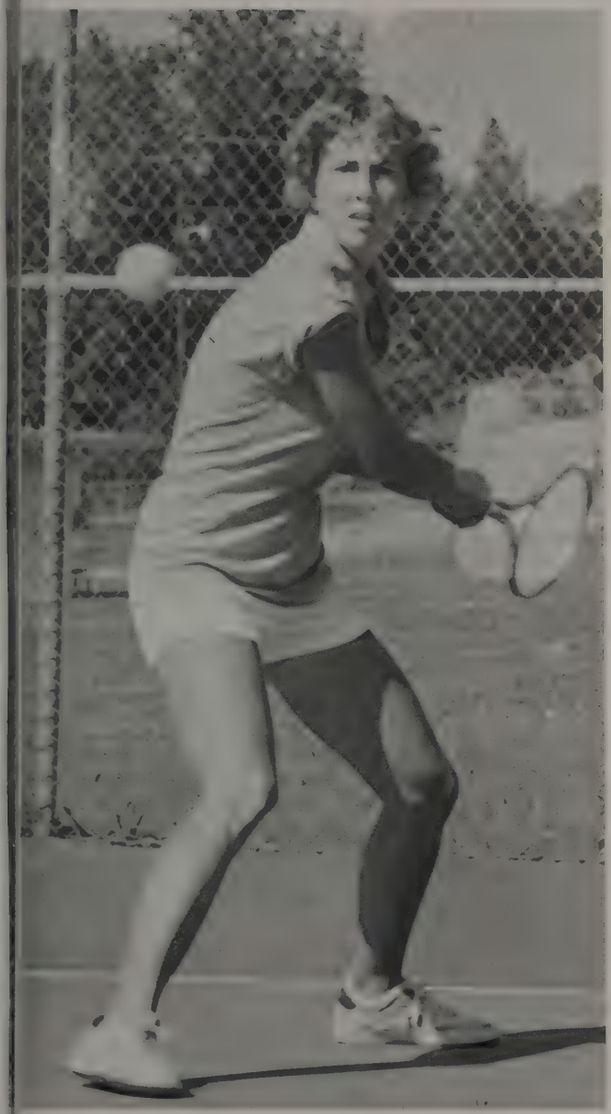


Front Row: Leslie Hamrick, Lisa Crawford, Cindy Sutherland, Jennifer Campbell, Edie Potter, Leslie Sherrer.
Back Row: Cathy Brooks, Coach, Sandy Hovis, Mary Ann White, Debbie Appling, Dianne Williams, Tammy Bolton, Penny Blanton, Jenifer Pruette, Donna Myers, not pictured, Alison Champion.

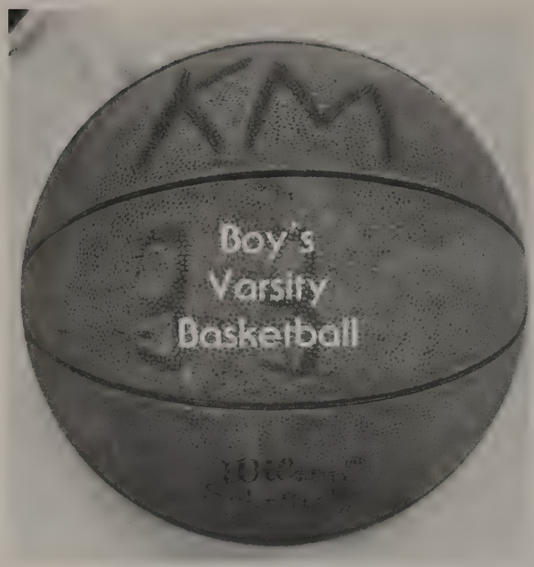
Coach Ed Guy led the Lady Mountaineers to a 11-3 victory season in the year of 1979. With convincing victories throughout the season, the Shelby game proved to be the most exciting and competive game because all the ladies played at their best.

1st Row — Terri Plonk, Christy King, Karen Ledford, Bridget Glass, Kim Moss, Wanda Witherspoon, 2nd Row — Tina Forbes, Dana Horne, Lisa Roark, Pam Baity, Rhonda Guy, Jamie Humphries, Kim Gladden, Edie Schronce.

Girls Tennis Has "Love"-ly Season

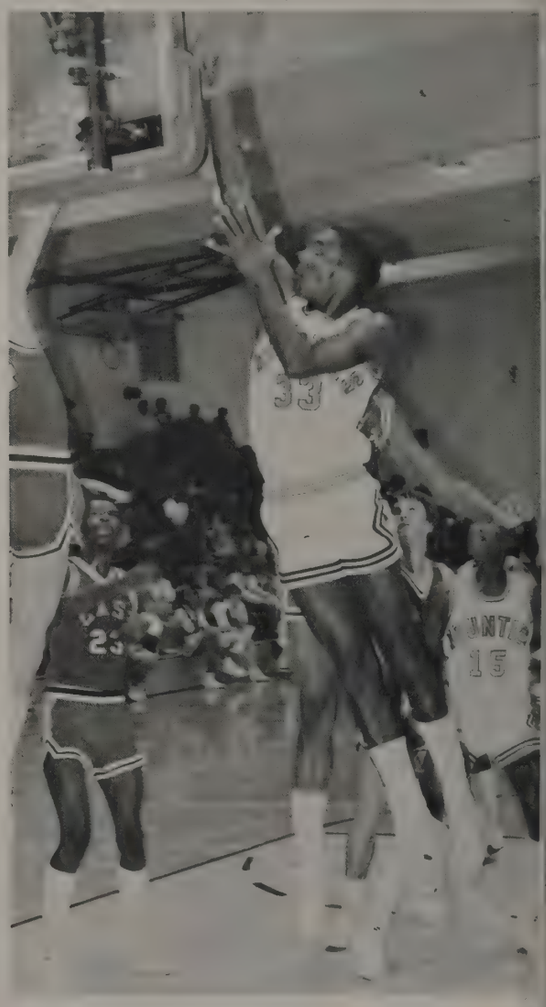


Coach Ed Guy, who started the girls tennis team five years ago, has worked hard to improve the team each year. He commented that this year's team has been the best and the years to come will be even better.



Although the varsity basketball team's record is not that impressive they progressed and improved throughout the season. Coach Blalock felt that the highlight of the season was the big win over Crest.

Carl "Smitty" Smith soars for 2 against North Gaston.



Demetrius Goode is good for 2.

Eric Dixon, a three year starter, has provided capable senior leadership.

Eric Moore, out stretches a North Gaston opponent.

Smitty strikes again!

Mountaineers await tip off to begin action.

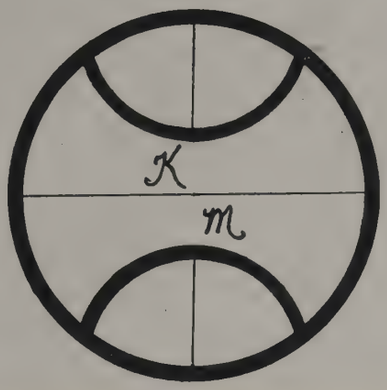
Babes Basketball Bounces On With New Coach



The new coach of the Kings Mountain Girls' Basketball Team introduced a change in practice procedures. Mr. David Brinkley didn't change his own style of coaching just because he is now working with females. He stresses discipline and hard work in the daily practice sessions. The girls respect him as a basketball coach and are trustworthy of his knowledge of the sport. Their team is young but the hard practices and play show.

Kim Gladden shoots for two.

Above left: Diane Williams drives for the basket.

Above: Cheryl Good hauls down another rebound.

Below: Coach Brinkley discusses strategy during a timeout.

Bottom: Bridger Glass and Cheryl Goode await the tip off to begin action.

A close player-coach relationship keeps the team enthusiastic. As they wind up the season with an 8-11 record Coach Brinkley and his players hope to dominate in tournament play.

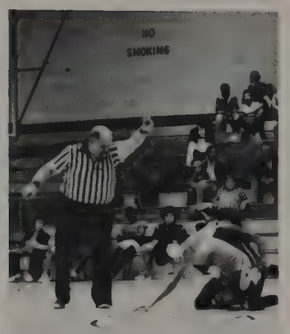
Coaches and fans have commented on Cheryl Goode's ability to dominate under the basket. Her type of performance has proven that she is a capable center and an asset to the team.

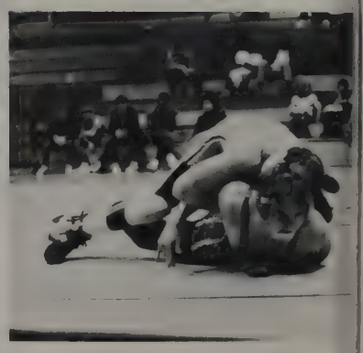
Two other outstanding Juniors are Diane Williams and Bridget Glass. They demonstrated their ability many times over by their hustle and intensity on the court. Kim Gladden and Debbie Appling are two outstanding Seniors who will be missed for their leadership, experience, and talent. Future success will depend on the returning players. Two promising sophomore players are Angie Bell and Tammy Bolton. Coach Brinkley's hopes for next year are continued improvement.

Lisa Crawford, Sandy Adams, Leslie Hamrick, Roberta Young, Priscilla Odums, Pam McClain, Rhonda Cooper, Kim Moss, Coach Gene Bumgardner, and Kathy Stamey.

Leslie Hamrick awaits the tip off.

This year the Girls' J.V. Basketball team weathered a frustrating 3-7 record. Although disappointed, Coach Bumgardner commented that "we could have just as easily been 7 and 3. We lost four games by no more than four points." Regardless of the record this year's team received valuable experience and training in fundamental skills which will better prepare them for varsity competition.



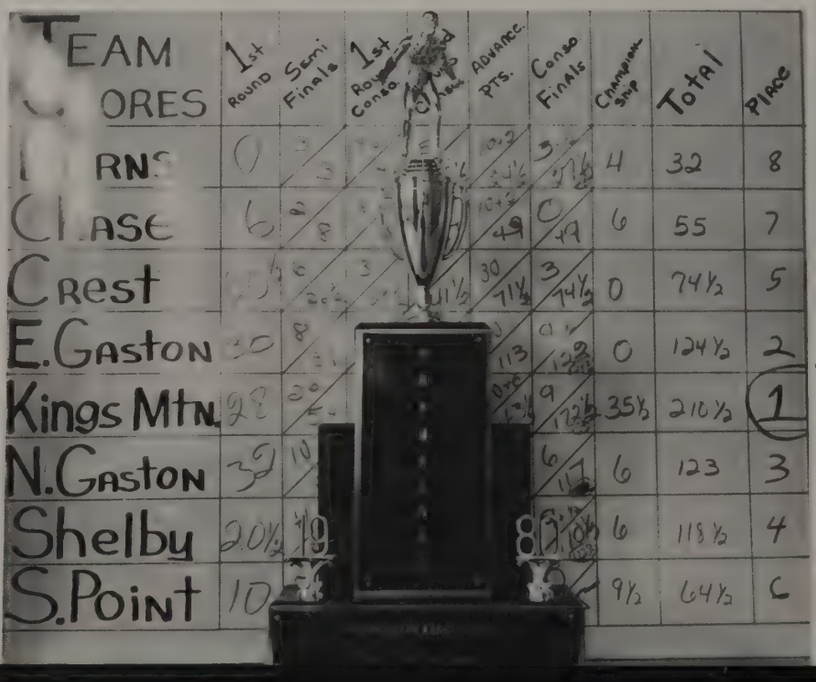


1st Row: Joey Wyre, Terry McClain, Miles Boyce, and Caje Etters.
2nd Row: Bernard Womic, Maurice Jamerson, Todd Bell, Eric Spicer, and Knot Ross.
3rd Row: Rupert Stevenson, Ronald Oates, Jeff Rowell, Novell Young, Avery Smith, Lenny Thompson, Keith Pressley, and Coach Moffitt. Not Pictured: Walt Goode.

Pictured above are the top seeded wrestlers in the conference tournament.

In his three years as wrestling coach, Mr. Steve Moffitt has proved to be truly outstanding. The matmen have won the conference championship every year since he began coaching here. While watching him coach at matches, one can see that Mr. Moffitt is whole-heartedly concerned with each of his wrestlers. He doesn't just sit in a chair showing encouragement for certain wrestlers; he usually stands, and jumps, and shouts well-founded strategy for each individual wrestler.

The team thinks Mr. Moffitt is GREAT. They say, "He's the best coach in the SWC. He 'learns' you. He puts it into words you can understand. He works you hard."



Wrestlers "Takedown" Sectional Title

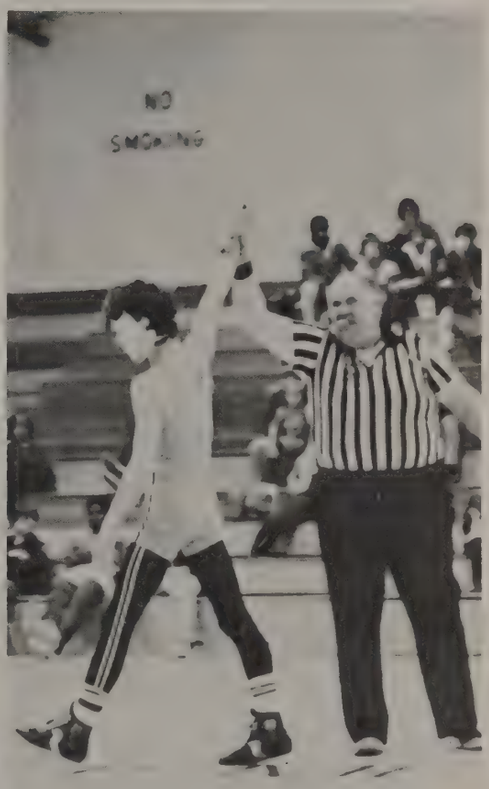
Coach Steve Moffitt's wrestlers did very well this year. Not only did the team win the conference and state sectional championships, many of the wrestlers are expected to go as far as the state finals.

Johnny "Knot" Ross and Jeff Rowell, both seniors, remained undefeated all season, and Knot was voted "SWC Wrestler of the Year." Two other seniors also did a good job, Avery Smith lost only one match, and Maurice Jamerson only lost two. In addition to his fine season, Maurice was named "outstanding wrestler" at the state sectionals. Mr. Moffitt said that the wrestler's hard work and desire to learn helped the team a great deal. Also the fact that seven of the wrestlers were seniors, and that he had some good sophomores on the team; was decisive in the season's eminent outcome.

Probably the most exciting match was the one against Ashbrook, a 4-A school, whose wrestlers were ranked second in North Carolina. KM won the match 24-23. Jeff Rowell's pin was the only one of the match.

Overall, the wrestlers recorded a 9-1 regular season. They are expected to go on to greater things in post-season play.

Rowell uses "chicken wing."



Joey Wyte wins another one.

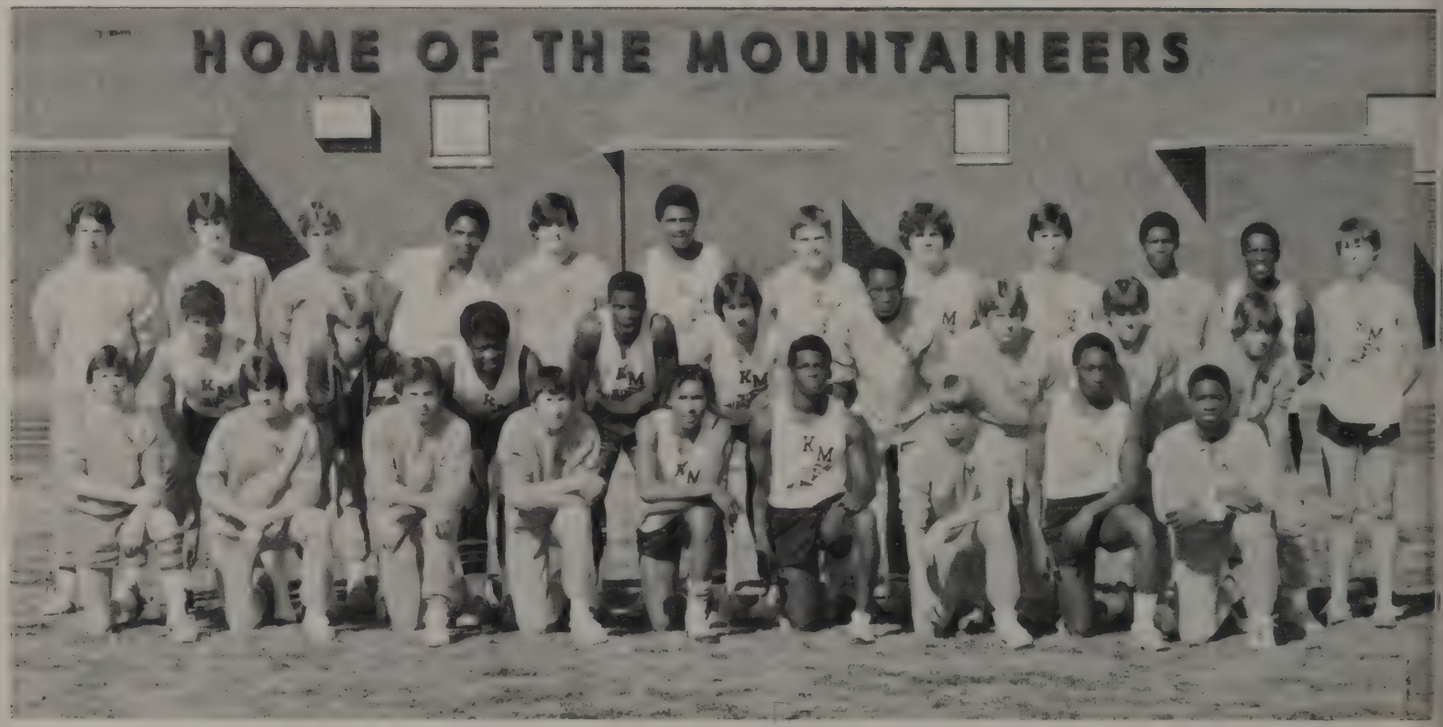
Boys' Track Sprints Toward Success



Kneeling: Charlie Morrow, Barry Lowrance, Mike Woodberry, John Lineberry, Calvin Wingo, Kenny Womic, Eric Spicer, Mirion White, Larry Wilson. Second Row: Jeff Lineberger, Todd Barrett, Keith Pressley, Kevin Mack, Greg Tate, Tony Brown, Gary Allen, Joe Smith, Aaron Dixon. Third Row: Richard Ellis, Terry Odums, Wade Clark, Marcus Hager, John Estes, Henry Hager, Robert Bradley, Jerry Scruggs, Mark E. Smith, Ronald Smith, Bernard Womic, Lanny Guyton.

BOYS TRACK SCHEDULE — 1980

March 21	ER, Chase, Crest at RS Central
	EG, NG, at SP
	Shelby, KM at Burns
March 28	EG, Burns at Chase
	ER, Crest, NG at Shelby
	SP, RS at KM
April 3	SP, NG, EG at Shelby
April 11	Burns, KM, ER, RS, Chast at Crest
April 15	Lincolnton Invitational Relays
April 16	Burns, Chase, Crest, KM, NG at SP at 1:00
	Shelby, RS at East Rutherford at 3:00
April 22	Cleveland at KM
April 25	Pre-conference at site of Conf. meet
May 2	Conference meet site (unknown)
May 9	Sectional meet
May 16	State meet

The 1980 track team, though young and inexperienced, should be competitive in the conference. The team will be a strong contender for the title, but they will have to defeat the tough teams of R.S. Central and defending champions Southpoint.

Kevin Mack, Mirion White, Kenny Womic, and Robert Bradley are just a few of the top performers on the track team. Coach Steve Foster is encouraged by his team's performance so far. If all the members perform up to their potential they will be able to "sprint towards success."

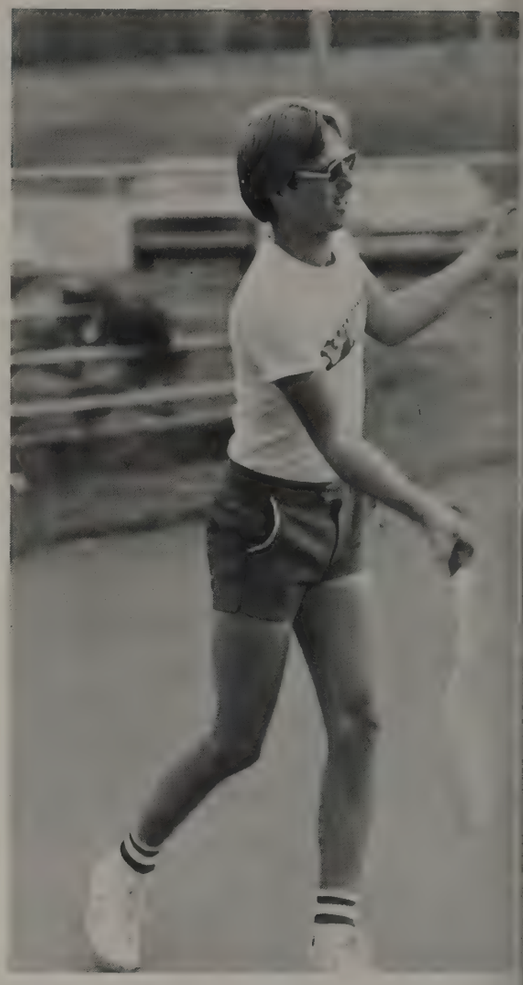
Lady Tracksters Show Promise

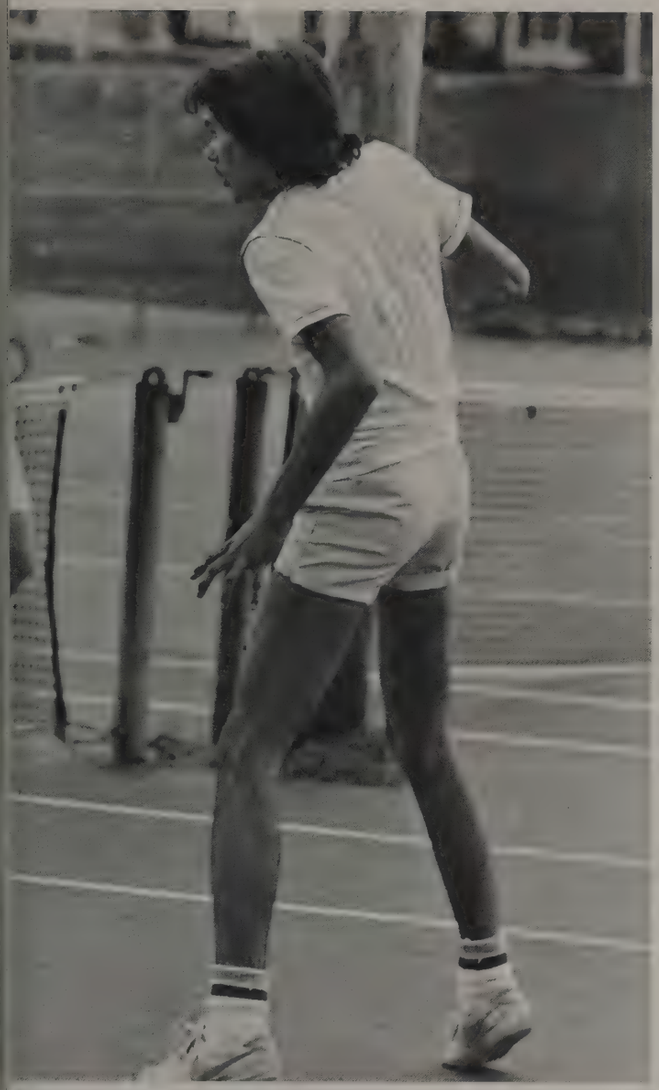
Kneeling: Karen Blackwell, Leslie Sherrer, Pam Vasquez, Roxanne Bennett, Stacie Rhea, Kristine Gatts.
2nd row: Edie Potter, Carol Bennett, Cynthia Frazier, Trica Griffin, Deborah Hopper, Sonya Pressley, Bridget Glass, Kim Moss.
3rd row: Elizabeth Borchert, Wanda Stowe, Diane Williams, Pam Bolton, Cheryl Goode, Brenda Williams, Kathy Stamey, Cindy Weaver.

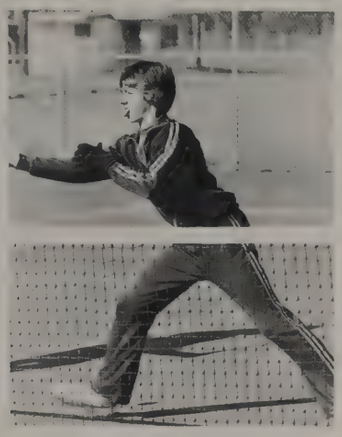
With many of last year's standouts returning, Coach Kathy Brooks feels that this year could be a good one for girl's track here at KMSHS. Coach Brooks says depth could be key advantage for the lady tracksters as Diane Williams, Pam Bolton, Bridget Glass and Jamie Humphries will all be back in their respective events. Two newcomers who look very promising are Deborah Hopper and Pamela Vasquez. However, Pamela is an exchange student and probably will not be able to compete in conference meets. When asked if KM could be a contender for the conference title Mrs. Brooks said Chase looks very strong but there is always that chance.

Boys Tennis

The boy's tennis team has improved over last year's team because they have such good attitudes. Coach Guy says the players are young and willing to learn and work. The team is fairly well balanced with the exception of Kenny Horne and Scott Hardin slightly out in front of the other players. Coach Guy expects the match against Shelby to be tough because Shelby is so much more experienced.







1st Row: Brad Curtis, Mike Cornwell, Scott Hardin, Kevin Roberts, Ben Carpenter. 2nd Row: Greg Hambright, Tommy Buchanan, Brent Shyrles, Kenny Horne, Barry Webster, Jay Schronce. Not pictured: Mark Cloniger and Bobby Huffstetler.

Softballers Slug It Out! Infield . . .

Standing: Loretta Oates, Diane Williams, Mary Ann White, Susan Howze, Mary Plyler. Kneeling: Lisa Crawford, Kim Moss, Bridget Glass, Tammy Bolton.

This year's softball team, led by first year coach, David Brinkley, looks promising. Coach Brinkley believes in the team concept, and cannot single out exceptional players. The team looks strong defensively, and if each player does her best, they should be contenders for the conference championship.

Mounties Touch All Bases

Coach Barry Gibson, a dedicated coach was voted Coach of the Year three times in the past five years and remarkably twice in a row.

Coach Barry Gibson's baseball Mountaineers are expecting a promising season with 11 players returning from last year's outstanding team, which was beaten in the final game of the conference championship series. The team that beat the Mounties eventually took the state runner-up title.

The 1980 Mounties are looked upon as one of the teams to beat, along with Burns and South Point. Strong defense and pitching should be the key to the Mounties success. Ace lefthander Tim Leach will head the starting mound staff. Ricky Proctor and Jeff Cloninger are other starters. Junior Todd Blalock and Sophomores Robert Anderson, Kevin Jones, and Scott Shaw will also assist the hurlers.

Senior Lyn Hayes will give the Mounties good defense behind the plate. Terry Chapman will be the reserve catcher.

Eric Dixon will play first base, with Ricky Chapman at second, and Tony Boyce at third. Mike Spears will be at the shortstop position.

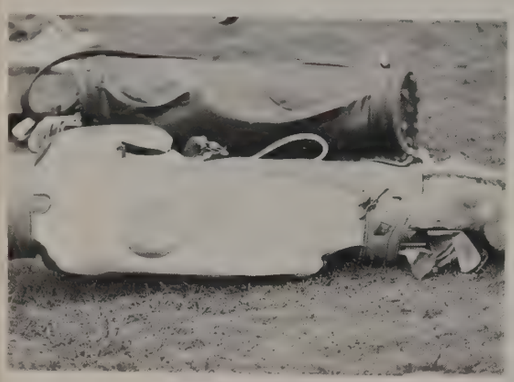
Proctor may also play some at first base and in the outfield. Brent Bell will be the back-up at second base, Terry Bullock behind Spears, and Alan Van Dyke will play reserve at third.

Mark Schuman and Eric Moore are likely starters in left and center field. Spears, Cloninger and Proctor should share in the right field duties.

Coach Gibson is assisted by Bud Bumgardner whose experience and knowledge have proved valuable.

Front: Rusty Bumgardner, Tommy Leach, Terry Chapman, Tony Boyce, Terry Bullock, Brent Bell, Alan Van Dyke, Ricky Leach, and Robert Anderson. Back: Ricky Chapman, Todd Blalock, Mark Schuman, Kevin Jones, Timmy Leach, Jeff Cloninger, Eric Dixon, Scott Shaw, Eric Moore, Ricky Proctor, Lyn Hayes, and Mike Spears.

Despite Below – "Par" Weather, Golf Team Putt-ers Along



Perhaps the most difficult aspect of preparing a golf team for the Spring matches is not hours of grueling practice or scouring your opponent, but working around the weather. One day is typically spring with flowers blooming as the sun shines. The next day is typically winter with people sledding on the golf course rather than practicing approach shots or putting.

Despite the erratic weather Kings Mountain's golf team must be doing something right. In their first match against Chase, Crest, and Burns, Kings Mountain was the winner by 45 shots. Sammy Wolfe was medalist at 80, and a greatly improved Dexter Tate was second at 84. Kings Mountain's team is guided by a capable golfer in Coach Bob Jones. And with weather permitting the KM golfers should prove that they can putt-er around with the best.

Milestones ... The final day arrives. Books are packed away for the summer, and weary minds turn towards bright prospects of summer vacation. Doors are locked, and reverberating echoes of the last straggling footsteps sound and fade in empty halls. For some, it is a time of final goodbyes, a final glance at the old and dusty walls of the school that has been so much a part of their lives.

Milestones . . . At times, the tears cannot be restrained for a friend who might never be seen again. Thoughts of past conflicts, trials, and confrontations dim in the light of a bright, yet unforseen future. For a few, the goodbye is a happy one. For many, this time of farewell, this milestone, is an event of conflicting emotions: happiness, sorrow, relief, and joy. These years can never be lived again. Only memories, momentos, and hopefully, friendships will survive. This is truly goodbye.

Milestones

The ***Milestones*** staff has tried to capture all the emotions, events, and memories of the 1979-1980 school year and compile them into this year's annual. We hope you grasp the meaning behind our theme, milestones. We spent countless hours agonizing over this theme. Because the school year 1979-1980 represents the end of a decade and the beginning of another, we felt that milestones would provide us with the means to relive our memories and to anticipate our dreams.

The editors would like to take this opportunity to thank the annual staff for all their hard work; the students and teachers for their cooperation; and the local businesses for their financial support, all of which helped make the publication of this book a success. We would also like to express our appreciation to Mr. I.G. Alexander for the giving of his time and efforts throughout the year. He didn't even complain when he was forced to leave his warm classroom to walk to the Junior High on those cold, winter mornings to take club pictures.

And last, but certainly not least, we would like to thank Mr. Rountree for being there when we needed him, and sometimes when we didn't. Without his constructive criticism, undying sarcasm, and enduring patience, the completion of this book would not have been possible. Mr. Rountree, the entire staff would like to say thank you!

The 1979-80 MILESTONES was published by Josten's/American Yearbook Company at the Clarksville, Tennessee plant. Participating in the Cameo program, the MILESTONES is a 9 x 12 yearbook, with sewed binding and rounded and backed spine. The paper is Gloss 191. This year the book contains 224 pages, 700 copies were printed, and all pages were proofed. The base ink color is black. All color is contained in the first signature, with the color pictures being type C prints, as required by the Multicolor contract. The cover is a Craftline Embossed cover, the color is Black 535, the grain is Spanish, and the applied color is Gold Foil 380. The cover art was designed by Kristen Hagen, who also designed the division pages. The board weight of the covers is 150 pounds, and stamped names were in Gold Foil 380. The endsheet material is natural parchment. The design on the front endsheet is a blind embossed graphic representation of Kings Mountain using the word MILESTONES, which was also done by Kristen Hagen. The type style used throughout the book is Serif Gothic # 35. The type size used is 10 point for captions and 12 point for body copy. The type style for headlines is Serif Gothic Bold # 36. Subheadlines are 18 point and headlines are 36 point.

The Senior Class song, "Theme From Mahogany (Do You Know Where You're Going To)" by Gerry Goffin/Michael Masser, Copyright (c) 1973, 1975 by Screen Gems-EMI Music Inc. and Jobete Music Co., Inc., is used by permission. All administrative rights are controlled by Screen Gems-EMI Music Inc. All rights reserved.

Our initial sales representative was Walt Davis who was replaced by Keith Mathews. Our plant representative is Roger Baugh.

The MILESTONES staff would like to thank Kim Sisk for allowing the annual staff to take pictures of the Carrousel Court at her house, and we would like to thank Home Savings and Loan for allowing us to take pictures of the Homecoming Court at their new facility. We would like to thank Richard Hamrick and Kings Mountain Junior High for the loan of their enlarger. The yearbook staff is grateful to Gary Stewart for the use of his many photographs. The 1979-80 MILESTONES greatly appreciates the unselfish and quality work of Mr. I.G. Alexander who provided pictures, equipment, advice, and assistance whenever necessary.

Our appreciation goes to those artists on page 182 and 183 who gave of their time and talent. The artists on page 182 are: Robert Ruff, Diane Harper, Tim McDaniel, Kristen Hagen, Donna Queen, and Randy Howell. Those who provided art for 183 are: Tim McDaniel, Diane Harper, Ronny Chapman, Kristen Hagen, Penny Blanton, and Billy Page.

Finally, as adviser, I would like to thank Janet Childers, Leslie Hambright, and Joni Wright on behalf of the staff and student body. These three co-editors have been on the staff for three years and have helped make my job easier. Were it not for their efforts, decisions, disputes, and "agonizing", there would be no MILESTONES for 1980.
